

UB40 - The way you do the things you do

Match the sentence halves, like in the example

You got a smile so bright...
I'm holding you so tight...
The way you swept me off my feet...
And baby you smell so sweet...
Well you could've been anything...

you know you could've been a broom
you know you could've been a candle
that you wanted to, I can tell
you know you could've been some perfume
you know you could've been a handle

The way you do the things you do, alright
The way you do the things you do

As pretty as you are...
If good looks were minutes...
The way you stole my heart...
And baby you're so smart...
Well you could've been anything...

you know you could've been a schoolbook
you know you could've been an hour
that you wanted to, I can tell
you know you could've been a crook
you know you could've been a flower

The way you do the things you do, alright.
The way you do the things you do.

You make my life so rich
And baby you're so sweet

you know you could've been some honey
you know you could've been some money
