

Billie Eilish - Bury a friend

Listen to the song and try to identify the errors in the questions
Listen again; can you hear the word that Billie Eilish actually sings?

Chorus

What do you need from me?
Why do you run from me?
What are you thinking of?
How do you know?
Why aren't you frightened of me?
Why do you look after me?
When we all fall asleep, when do we go?

Come here...
Say it, spit it out, how much is it exactly you're paying?
Are the amounts cleaning you out?
Is it satisfactory?
Today, I'm thinking about the things that are deadly
The way I'm drinking you down
Like I wanna drown, like I wanna end me
Step on the glass, staple your tongue, bury a friend, try to wake up
Cannibal class, killing the son, bury a friend, I wanna end me...

Chorus

Listen...
Keep you in the dark, what did you expect?
Me to make you my art, and make you a star and get you connected
I'll meet you in the park, I'll be calm and collected
But we knew right from the start
That you'd fall apart 'cause I'm too expensive
Your talk'll be something that shouldn't be said out loud
Honestly, I thought that I would be dead by now
Calling security, keeping my head held down
Bury the hatchet or bury your friend right now

For the debt I owe, gotta sell my soul 'cause I can't say no, no, I can't say no
Then my limbs all froze and my eyes won't close and I can't say no, I can't say no

Careful...
Step on the glass, staple your tongue, bury a friend, try to wake up
Cannibal class, killing the son, bury a friend, I wanna end me

I wanna end me...

Chorus

Chorus

What do you **want** from me?
Why **don't** you run from me?
What are you **wondering**?
What do you know?
Why aren't you **scared** of me?

When we all fall asleep, **where** do we go?

Come here...

Say it, spit it out, **what** is it exactly you're paying?

Am I satisfactory?
